END OF SALE

Remember-
Ties are won by the earliest bid received.

August 19, 1996 is the closing date for our next sale.

TERMS OF SALE

1. This is an unrestricted Mail Bid Sale. All lots will be sold to the highest bidder. Enter your bid by lot number. Please feel free to bid as much as you wish on each lot, with the realization that all bids will be treated as limits and all lots will be sold below those bids as competition dictates. Bids that are not entered in good faith or are deemed to be totally ridiculous will be refused at the cataloger's discretion. Prices listed are estimates only.

2. Closing date for this sale is Tuesday, May 28, 1996 at 8:00 P.M. (EST). Faxes will not be accepted after 5:00 P.M. on the day of the sale.

3. Bidders who are unknown to us are requested to supply two (2) bank or trade references prior to the sale or submit a deposit equal to twenty-five percent (25%) of their total bid.

4. A ten percent (10%) Buyer's Fee will be added to each lot won. A packing charge of fifty cents per lot (mimimum $2.00) plus shipping charges also will be added.

5. TERMS: Cash or check, payable in U.S. funds. Payment is due upon notification of successful bids. Title to all lots remains with Function Associates until paid for in full. Delivery may be postponed until full payment is received, at the discretion of the cataloger.

6. Unsuccessful bidders will be notified by mail in a prompt manner. We recognize the importance of liquidity of funds and will return deposits on a priority basis.

7. A Prices Realized List will be mailed to each bidder. A copy of the prices realized may be ordered for delivery after the sale. The price is one dollar ($1.00) for those persons who are not bidders.

8. Mail Bid Sales are not approval sales. No lot may be returned without written authorization and this must be requested within three days after receipt of lots purchased.

9. All books are as described. Any errors or typographical mistakes will be happily corrected.

10. A Florida 7% Sales Tax will be added to all lots delivered within Florida, unless a valid resale number is on file with us.

11. The cataloger has attempted to describe the condition of each lot as to signs of wear. If no descriptor is noted, it may be assumed that the lot is in Fine(F) to Very Fine(VF) condition.

12. Telephone bids are accepted. If you so desire, you will be informed as to whether your first bid is a successful bid or not. A second bid may then be offered, but with the provision that this second bid will not be reduced as competition dictates. Bids in odd amounts will be rounded to the nearest half dollar increment.

13. Invoices are payable upon receipt and a late charge of $1.50 per month will be added to delinquent accounts.

VAN BELKUM,Louis(et alii).

Each state listing in the following lots has complete data sheets for the "National Banks in the Note-Issuing Period".Van Belkum(with help) copied these voluminous records from the United States Treasury records in the National Archives.This was a monumental task in putting all of this information together.Some page numbers are approximate and each state is being sold separately.Many are in binders.
